

Luna Blue Label

The 2014 Napa Valley Cabernet Sauvignon was sourced from the West Side of the renowned, St. Helena sub-appellation including both valley floor and hillside fruit. Petite Sirah from rocky river beds in Yountville was added to give layers of complexity and plush tannins. Grapes were harvested in October and fermented for three weeks at warm temperatures for optimal flavor and tannin extraction. The wine was pressed off skins and aged in 50% new French oak until bottling.

85% Cabernet Sauvignon & 15% Petite Sirah

Tasting Notes

A blend of mostly Cabernet Sauvignon with a touch of Petite Sirah, this well-structured wine has enticing aromas of currents, violets and black cherry's wrapped up in a cedar box. Complex on the palate, that begins with a hint of anise and leads to juicy red berries touched with black pepper and finishing with supple tannins.
