

2014 CABERNET SAUVIGNON

California

BLEND

Cabernet Sauvignon 85%
Petite Sirah 15%

VINEYARD

Our Cabernet Sauvignon is sourced from a prized collection of vineyards through California. Growing conditions in 2014 were ideal with warm days and cool nights. This allowed for optimal growing conditions which led to an early harvest and low yields but produced concentrated and complex fruit.

WINEMAKING

The grapes were fermented for two weeks at warm temperatures and followed with extended maceration, extracting maximum ripe flavors and supple tannins. The wine was aged in oak barrels and then bottled in August 2016.

TASTING NOTES

A true Californian Cabernet Sauvignon, this is a well-balanced, medium-bodied wine. The fragrant scents of cassis, anise and dark fruits follow to red currants and dried cherries on the palate, giving this wine a smooth acidity and a slight earl gray tea finish.
