

2014 Pinot Grigio *California*

BLEND

<i>Pinot Grigio</i>	90%
<i>Marsanne</i>	8 %
<i>Rousanne</i>	2%

VINEYARD

The 2014 vintage was a perfect growing year due to idyllic weather conditions. The growing season was pleasantly warm, with no heat spikes or cold rainy days. This provided for even ripening which caused complex and balanced flavor development. Our Pinot Grigio is a blend of our established Napa Valley vineyards and other vineyard locations. In 2014 we added Marsanne to enhance and enliven the wine along with a small amount of Rousanne.

WINEMAKING

Our Pinot Grigio grapes were whole-cluster pressed on the same day that they were picked and our estate grapes were picked the day after the south Napa earthquake. The juice was fermented in stainless steel tanks at cool temperatures to preserve the delicate fruit aromas and each vineyard lot was kept separate until just before blending and bottling.

TASTING NOTES

Consistent with past vintages, our Italian-style Pinot Grigio exhibits fresh aromas of lemon curd, citrus blossom and grapefruit flavors that continues on the palate. Our 2014 vintage has refreshingly brisk citrus notes, lively texture and good balance. With a clean and steely edge, this wine finishes with juicy acidity and bright, long finish.
