

2014 LUNATIC RED WINE  
*California*

**BLEND**

<i>Sangiovese</i>	32%
<i>Malbec</i>	24%
<i>Petit Verdot</i>	18%
<i>Alicante Bouschet</i>	20%
<i>Petite Sirah</i>	6%

**VINEYARD**

This wine is about innovation and discovery. For that reason, we go out of our way to find unusual vineyards and uncommon varietals. Every vintage is a unique blend according to the amount of each varietal grown in any given year. Lunatic Red proves that the whole is greater than the sum of its parts; in combination, these wines create more than you would expect.

**WINEMAKING**

Each varietal is treated individually, traditionally fermented, and barrel aged for 12 months. Sangiovese was chosen because of its vibrant blackberry character. Malbec and Petit Verdot were added to give complex savory attributes. Petite Sirah lends a soft, but strong tannin backbone. Alicante Bouschet imparts dense black fruits and baking spices.

**TASTING NOTES**

The 2014 Lunatic Red has dark, concentrated depth, flowing with notes of blueberry and blackberry with the spiciness of vanilla and nutmeg. The palate is greeted by flavors of boysenberry compote with underlying swirls of bacon and hints of violet. Lush, velvety tannins round out a long finish.
