

## 2015 PINOT GRIGIO

California

### BLEND

*Pinot Grigio* 86%  
*Viognier* 14%

### VINEYARD

The 2015 vintage was a perfect growing year due to idyllic weather conditions. The growing season was pleasantly warm, with no heat spikes or cold rainy days. This provided for even ripening which caused complex and balanced flavor development. Our Pinot Grigio is a blend of our established Napa Valley vineyards and other vineyard locations along with a touch of Viognier to enhance and enliven the wine.

### WINEMAKING

Our Pinot Grigio grapes were whole-cluster pressed on the same day they were picked. The juice was fermented in stainless steel tanks at cool temperatures to preserve the delicate fruit aromas, and each vineyard lot was kept separate until blending and bottling.

### TASTING NOTES

Consistent with past vintages, our Italian-style Pinot Grigio exhibits aromas of apricots and Meyer Lemons to start the tasting journey with delicate flavors of fresh white peach. Our 2015 vintage has refreshingly brisk citrus notes, lively texture, and the right balance. With a clean and steely edge, this wine finishes with crisp apple on the palate.
