

Estate Pinot Grigio

Some say, “Cab is King” in Napa Valley but that’s because they haven’t tried our Estate Pinot Grigio. Luna was the first winery to plant the Italian varietal, Pinot Grigio along the Silverado Trail and we are certainly proud of our history and our signature wine.

Our vineyard is located in the southern end of Napa Valley known for providing excellent growing conditions for white wines. Its proximity to the San Francisco Bay provides morning fog and cooling afternoon breezes, both beneficial to retention of Pinot Grigio’s delicate fruit and acidity.
